

Louisiana Disability Legal Resources

The ADA & Access to Justice for Individuals with an Intellectual Disability

www.idlr.org

“Supporting individuals with disabilities, including juveniles, to navigate the criminal justice system.”

Overview:

More frequently disability service providers and support coordinators are faced with supporting individuals with IDD, including juveniles, in navigating the criminal justice system- a system they often do not understand.

This session will:

Describe issues individuals with IDD, including juveniles, face when navigating the criminal justice system, discuss the differences between adult and juvenile justice systems, provide support strategies and share additional resources.
